D121UK – U.K. TRAVEL ADAPTOR

D121E – EUROPE TRAVEL ADAPTOR

D121A – AMERICAN TRAVEL ADAPTOR

D122 – REVERSE ADAPTOR

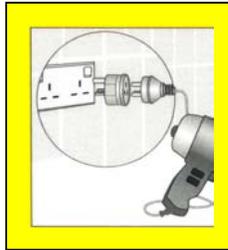

Key Features & Benefits:

- D121 – For using Australian plugs when travelling to other countries

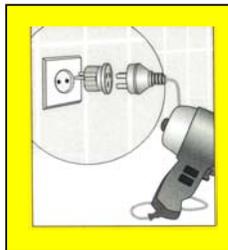

Handy Adaptor Guide

- D121UK – For using Australian plugs in the U.K.

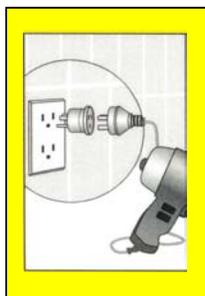

This plug has three rectangular pins and is for use in Britain, Ireland, and parts of Hong Kong and other former British Colonies.

- D121E – For using Australian plugs in Europe

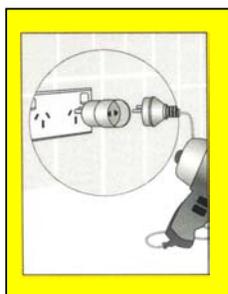

This plug has two round pins and is for use in parts of Europe, Middle East, and Asia.

- D121A – For using Australian plugs in the U.S.

This plug has two flat pins and a round earth and is for use in most parts of North America, Canada, and some parts of South America.

- D122 – For using European and American 2 pin plugs in Australia

This plug has two rectangular pins suitable for Australian powerpoints. The plug does not convert voltages.
