Aegis system software

Pack	Cat No.		Prod code
		Enables a system control computer to co-ordinate the testing and reporting of the emergency lighting system Database contains key information including detailed physical location, zone, circuit, product type and performance status/history. Graphic of each item assists in product identification. Emergency lighting discharge tests are contained in a logbook designed to comply with AS/NZ regulations.	
1	6822 99	Aegis 8 system software - AXIOM Wireless Aegis 8 has been developed with a higher level of functionality for AXIOM wireless systems.	AX-Soft

Control computer

		Dedicated PC for the retrieval, storage and analysis of emergency lighting status information. Communicates with Area Controllers via RS485 interface (CIU) over the emergency lighting backbone. Printer is included to provide hard copy of test required in local regulations.	
1	2223 43	Personal Computer	AX-PC
1	2231 85	Central Interface Unit (RS232:RS485)	COM-CIU

NOTE: Axiom control items are also applicable to Commander installations

AXIOM Wireless Area Controller
Testing systems

6822 98

Wireless Area Controller

Pack	Cat No.		Prod code
		Intelligent device networked over an RS485 backbone to other Area Controllers and the Control Computer. Front window provided for infra-red wireless communication with WCT. Local zone SPU's uploaded into its memory using WCT, laptop or control computer. A variety of RJ sockets provided for trunk and branch connection using Cat 5 or legacy cabling systems. Able to initiate time-based polling of SPU's and various discharge tests as directed by WCT or computer. Monitors a single zone of up to 80 SPU's via RS485 cable, wireless or a combination.	
1	6822 98	Area controller, Axiom or Commander	AX-WAC

Wireless commissioning tool

		Multi-functional device compromising in-built bar-code scanner, robust PDA and infra-red (iRDA) interface. Scans serial numbers from plans or SPU's for inclusion in local zone records. Uses touch-screen input to add essential detail to each Area Controller individually. May be used to initiate other functions of the Area Controller.	
1	6822 95	Wireless commissioning tool	AX-WCT

Accessories

		Data Cables	
1	6823 70	Conductor 6 core, flat cable (500m roll)	CAB6C
1	6823 71	Conductor 10 core, flat cable (200m roll)	CAB10C
1	2230 19	Crimping tool	COM-Crimp
		Cable accessories	
1	6823 72	3 way coupler	T3
1	6823 73	Coupler 6 core cable	C6C
1	6823 74	Coupler 10 core cable	C10C
1	6823 75	6 core modular plug for flat cable	RJ45-6C
1	6823 76	10 core modular plug for flat cable	RJ45-10C
		Network components	
1	6823 77	LAN to RS485 converter	UDS10
1	6823 78	Serial cable for use with UDS10 (9f-25m)	
1	6823 79	Connector for use with UDS10 (9m-9m)	

Whilst most items are stock lines some products are made to order

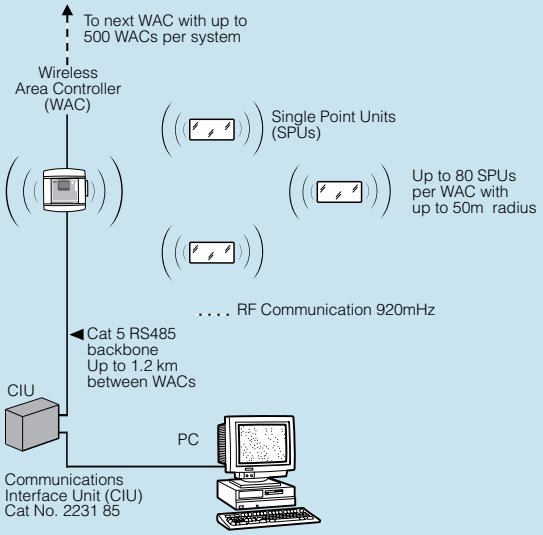
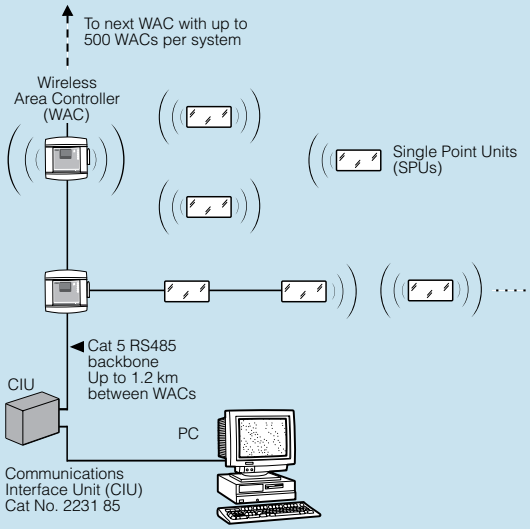
AXIOM installation
and WAC dimensions

■ Typical Installation



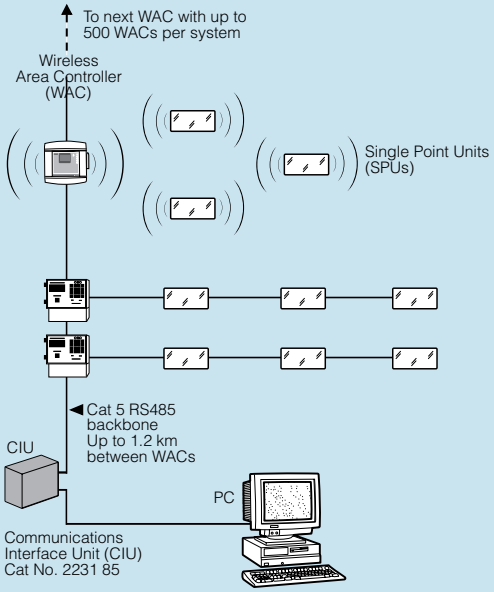
■ Hybrid Installation:

- Where wireless communication is limited

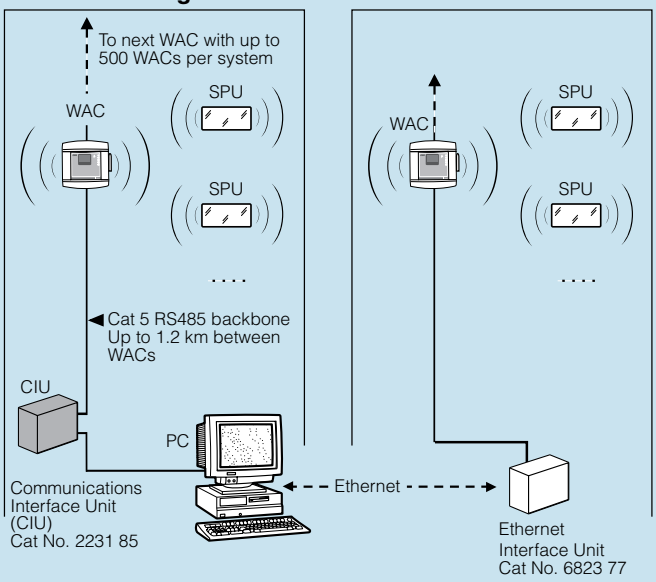


■ Add on Installation:

- Commander / AXIOM
- Extension to existing system



■ Multi-building site



NOTE: See installation & configuration instructions for application advice.
