

MyHOME[®] Starter Kit

SMART LIVING MADE EASY

TAKE THE FIRST STEP TO A SMARTER HOME

Imagine snuggling-up on the couch and dimming the lights from your smart phone; this is the new age of home electrical.

The MyHOME Starter Kit gives you a taste of the brilliant benefits of home automation. Each product is meticulously designed to make life just that little bit easier, comfortable and beautiful.

Featuring products from the exclusive Arteor range, this is the kit for style seekers, tech enthusiasts and lovers of high grade materials and craftsmanship. Feel the quality for yourself; ask your consultant for product samples today!

Control up to 5 lighting zones and see how much energy you consume with a Multimedia Touchscreen and your choice of switches.

Multimedia Touchscreen

5x

Single Switches

OR

1 x Dual Switch

&

1 x Triple Switch

*Different kit configurations are available to suit different homes. Your consultant can help you choose the right one for you.

“If you invest in beauty it will remain with you all the days of your life.”

Frank Lloyd Wright, Architect.

Handy things you'll love about this kit:

01

CENTRAL CONTROL & EASY VISIBILITY

From the Multimedia Touchscreen you can control multiple lights: upstairs, downstairs, inside and out. Plus, you can see how much energy you're using in real time and monitor your weekly, monthly and yearly usage. An aware user is one who saves.

02

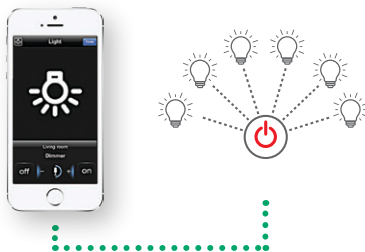

APP CONTROL

You can dim the lights from an app on your tablet (e.g. iPad or Android tablet) or smart phone as you snuggle-up on the couch. Who wants to move when you're in the perfect position!

Download the App from iTunes or Google Play.

03

MULTI-TASKING

Forget running around the house to turn off individual lights as you rush out the door or tuck yourself into bed; simply tap your smartphone instead!
