

Surge Protected Powerboards with Rotating Covers

CAT NO. D105POD4, D105POD6

Designed to be seen

Nicknamed 'The Pod', the sleek curved profile, bold black and white colouring and tactile soft touch finish make HPM's new powerboards perfect for use in those not so out of the way places.

Superior performance and stylish design at a competitive price.

- Very high 900J surge protection with surge protection indicator
- Wide spaced sockets for use with transformer plug packs

- Unique rotating covers keep outlets closed when not in use
 - * Child safety - help prevent little fingers accessing live parts
 - * Electrical safety - help keep dust and dirt out of the sockets
- Non slip feet protect floors and tabletops
- Keyhole mounting slots for mounting on a wall or in a cupboard
- Slim, side entry plug with finger grips - fits behind furniture and easier to remove from a powerpoint
