

Please read carefully: Read through these instructions completely before commencing installation. Retain for future use. This product should be installed by a licensed electrical contractor or similarly qualified person.

1 Specifications

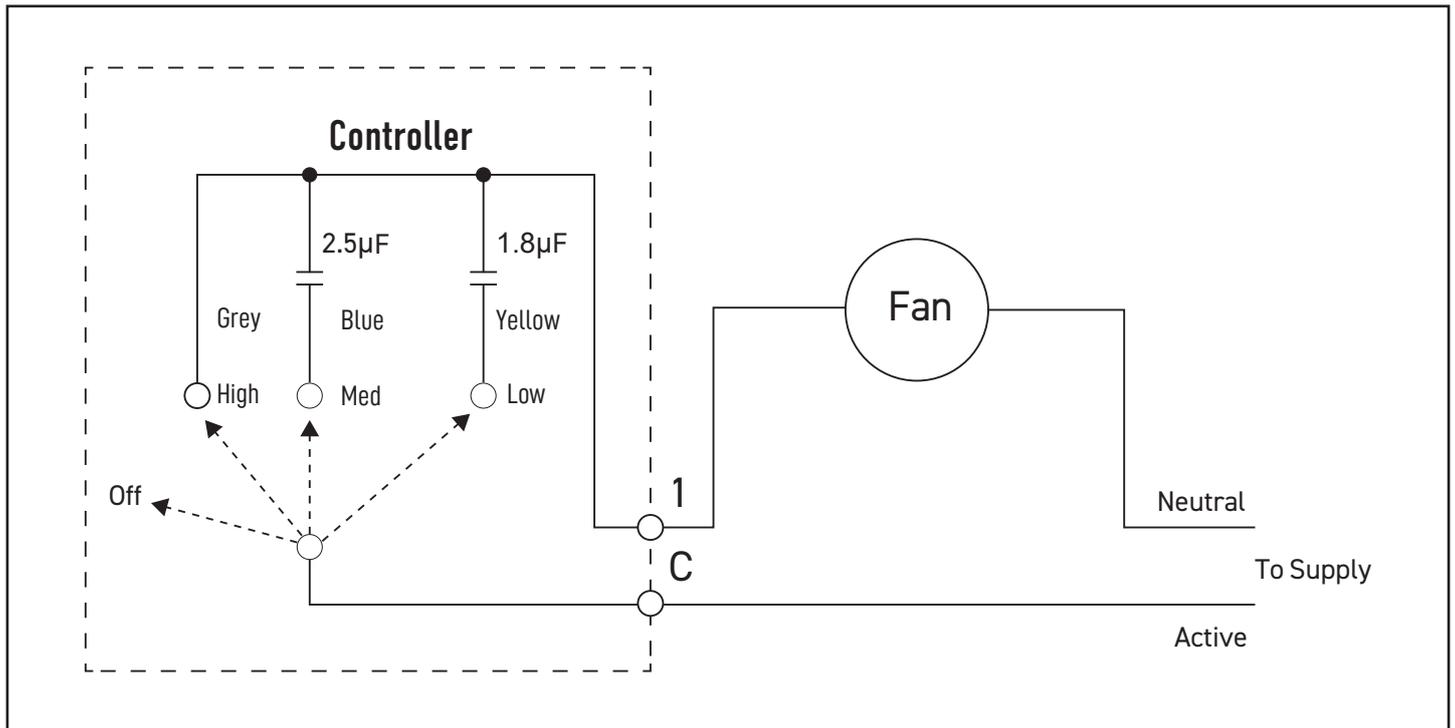

Nominal Supply Voltage	230 - 240 V a.c. 50 Hz
Max. Load	100 W
3 Speed Controller Settings	High-3, Medium-2, Low-1
Approval No.	Q98326

2 Features

The HPM Series LN3FC is designed to give 3 speed control for ceiling sweep fans or ceiling exhaust fans. The use of capacitors eliminates the phase controlled voltage, which causes motor laminations to make humming noises.

3 Wiring

IMPORTANT: Do not reverse wire connections or damage will occur to the switch components.

NOTE: 1. This warranty becomes void on any unit which has been tampered with or damaged by accident, short circuits, loaded beyond rating or damaged otherwise by improper operation.

2. The warranty is also conditional on the unit being fitted to a genuine HPM switchplate and being installed by licensed electrical contractor.

Warranty

Legrand warrants this product for a period of 1 year from the date of purchase.

These goods come with guarantees that cannot be excluded under the Australian and New Zealand Consumer Laws. You are entitled to a replacement or a refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
