Datasheet
## High Speed HDMI Cable V1.4 Slimline with Ethernet
Cat.No: **HDMIV14 Series**

Cat. No: HDMIV14-1

Range	HDMIV14 Series
Colour	Black
Type	Slimline
Description	High Speed HDMI Cable V1.4 Slimline with Ethernet
Conductor Material	BC (Bare copper) 32AWG
Display Resolution	4K UHD (3840 x 2160) @ 30Hz
Maximum Date Rate	10.2 Gb/s
Cable Sleeve	PVC 4.5mm OD
Insulation Resistance	5MΩ Min.
Connector Type	HDMI Type-A to Type-A
Assembly Style	Plug to Plug with moulded cable strain relief
Plug Material	Gold plated metal
Contact Material	Gold plated phosphor bronze
Conductive Resistance	5Ω Max.
Ambient air temperature for operation	-10°C to 60°C
Compliance	ROHS2, REACH, HDMI 1.4

FEATURES AND BENEFITS

■ The high speed HDMI V1.4 with Ethernet cord is the perfect solution for connecting multimedia source devices in home theatre, desktop or commercial AV applications requiring high speed HDMI features.

■ These HDMI cables are flexible slimline easy to use and curve between TVs or inside network cabinets.

■ The Ethernet capability allows the cable to be used as a network cable to connect different equipment.

■ High Speed 10.2 GB/s

■ 12 month Warranty

SELECTION CHART

Length	Product code
1 metre	HDMIV14-1
2 metres	HDMIV14-2
3 metres	HDMIV14-3
5 metres	HDMIV14-5
