

RJ45 Patch Leads

THE FUTURE OF HIGH-SPEED CONNECTION

Legrand's RJ45 Patch Leads are ideal solution for the future of high-speed network transmission.

- Straight RJ45-RJ45 plugs
- Cat 6 U/UTP and 6A S/FTP
- Cables feature snagless design with strain relief boot to protect the connector lock from being snapped
- Flexible material to easily curve inside network cabinets
- Environmentally friendly, bagless packaging

PLC6 Series

PLC6 (Slimline) Series

PLC6A Series

PATCH LEAD CHART
