FEATURES AND BENEFITS

- Powerful 70 W AC motor.
- 16 W dimmable LED light tri-colour with a maximum of 1400 lumens.
- Integrated LED light boasts a long lifespan and provides an even spread of the light distribution.
- LED light tri-colour switch lets you easily select your own light colour temperature between warm white, cool white and natural white.
- ABS plastic ceiling fans are suitable for indoor or undercover outdoor areas not exposed to the weather.
- Body, canopy and blades are made from ABS plastic, making them rust free[^].
- Moulded ABS plastic blades for high strength and durability, which are easy to clean.
- Pre-wired replaceable downrods for easy height extension, available in 750 mm and 1500 mm lengths.
- Coastal rated to withstand water damage due to salt found in the air.
- Fast connect wiring system and quick-fit blades system for ease and reduction of installation time.
- Reversible summer and winter mode to save energy for use all year round.
- Sleek and modern ceiling fan design with curvaceous blades to compliment any space.
- 3 speed wall controller with light switch included for ease of operation.

[^] Rust free does not apply to the metal downrod.
