Standards:

A sample of the product(s) listed above has been examined and found to comply with the relevant requirements of the standards listed below. Options and variants of the base models covered by this declaration, if not referred to above, are listed in the product price list/catalogue.

Standard/Regulation Number	Title
AS/NZS 3112	Approval and test specification – Plugs and socket-outlets
AS/NZS 3100	Approval and test specification – General requirements for electrical equipment

Supportive documents relevant for compliance:

Title	Description
GMA-510360-EA	Safety certification
